PM-INTELLIGENCE 9-22
EDITORS: HEARING SCHEDULED FOR 10 A.M. EDT
BY NICHOLAS DANILOFF
WASHINGTON (UPI) -- UNDER THE CHAIRMANSHIP OF SEN. DANIEL K. INOUYE OF HAWAII, THE SENATE'S NEW INTELLIGENCE COMMITTEE HAS BEGUN TO EXERCISE A BRAND OF UNDRAMATIC BUT APPARENTLY EFFECTIVE SCRUTINY OF THE U.S. INTELLIGENCE COMMUNITY.

THE PRELIMINARY FINDING, ACCORDING TO WELL-PLACED CONGRESSIONAL AND EXECUTIVE SOURCES, IS THAT AMERICA'S INTELLIGENCE AGENCIES ARE BEING PUT BACK TOGETHER AGAIN AFTER MORE THAN A YEAR OF SENSATIONAL AND OFTEN DEVASTATING CONGRESSIONAL PROBING FOR ABUSES.

TODAY FBI DIRECTOR CLARENCE KELLY WAS SCHEDULED TO TESTIFY ON THE WAY THE BUREAU CURRENTLY CONDUCTS DOMESTIC INTELLIGENCE AND COUNTER-INTELLIGENCE ACTIVITIES.

KELLY'S REVELATION JUNE 30 OF SEVERAL ILLEGAL FBI BURGLARIES -- AFTER SUCH PRACTICES SUPPOSEDLY WERE ENDED -- WAS NOT EXPECTED TO COME UP IN THE TESTIMONY.

BUT ONE COMMITTEE SOURCE SAID HE MAY BE QUESTIONED ON THE ISSUE. SEVERAL COURT CASES HAVE ARISEN OUT OF THE DISCLOSURE, INCLUDING ONE MOUNTED BY THE SOCIALIST WORKERS PARTY.

CIA DIRECTOR GEORGE BUSH ALREADY HAS APPEARED BEFORE THE COMMITTEE IN CLOSED SESSION TO REPORT ON THE IMPLEMENTATION OF PRESIDENT FORD'S FEB. 18 EXECUTIVE ORDER REFORMING THE ENTIRE INTELLIGENCE COMMUNITY, PROHIBITING ANY FUTURE ASSASSINATION SCHEMES AGAINST FOREIGN LEADERS, AND SAFEGUARDING THE RIGHTS OF ORDINARY AMERICAN CITIZENS
